SEKAI

COMPANY PROFILE

www.sekai.qa

PRECISION.INNOVATION.SUSTAINABILITY

SEKAI Industries, a proud sister concern of Seashore Industries in Qatar, stands as a leader in thermal paper, label printing, flexible packaging, and paper bag manufacturing. Our core expertise lies in converting paper products for a wide spectrum of industries, including aviation, healthcare, logistics, retail, and more. With cutting-edge technology and innovative solutions.

SEKAI Industries is the preferred partner for major retailers, commercial entities, and office use across Qatar. Our commitment to quality and precision has earned us a reputation for delivering superior packaging and labelling solutions that meet diverse industrial needs.

VISION

To be the foremost provider of sustainable, innovative, and high-quality packaging and labelling solutions in Qatar, contributing to the global shift toward eco-friendly business practices.

MISSION

Our mission is to continuously deliver premium packaging solutions that meet the evolving needs of our clients. We aim to uphold excellence in quality, innovation, and service, while fostering sustainability and contribute to a greener future.

SUSTAINABILITY AND GREEN ECONOMY PRACTICES

Using recycled materials in our packaging solutions.

Implementing eco-friendly manufacturing processes.

Reducing waste and promoting responsible resource management.

Adhering to environmental regulations and standards.

Promoting sustainable packaging solutions

From Vision to Reality:
Why SEKAI is the Future of Packaging

Quality Assurance:

We are ISO certified in Quality Management, Environmental Management, and Occupational Health & Safety, ensuring that our products consistently meet the highest international standards.

Innovation:

With years of experience in the paper and packaging industry, SEKAI Industries has developed unparalleled knowledge and skill in delivering innovative solutions.

Customization:

We provide bespoke packaging and labelling solutions tailored to specific industry needs, from aviation to retail, healthcare, and logistic logistics, ensuring optimal performance and compliance with industry regulations.

Reliability

You can count on us for timely delivery and exceptional customer service. Our fast, flexible service is designed to meet tight deadlines without compromising on quality, ensuring our clients receive the best products on time.

Sustainability

~ We are dedicated to providing sustainable packaging solutions that minimize environmental impact. Our green practices align with Qatar Vision 2030, promoting long-term environmental and economic sustainability.

Local Expertise

~ As a Qatar-based company, we have a deep understanding of the local market and its requirements.
